

# THE HOUSE THAT SHE BUILT

## Becoming a Tiler: Piece by Piece

**Age Recommendation:** All ages!

**Object:** Tilers decorate homes and protect floors and walls using different types of tiles. Using the activity page, color and design your own tiles and glue them together to create a unique pattern!

**Materials:** THTSB tiler activity page, paper, coloring utensils, glue, scissors

**Instructions:** Color the tiles on the activity page, cut them out and arrange/glue them onto a separate piece of paper to turn into the floor or wall of your dreams!

### Tips/Variations:

- Team up! Separate participants into small groups so that they can work together to design tiles that will fit together to create a larger floor

*Additional materials: poster board to glue tile pieces onto*

- Time's up! Set a time limit on the activity, when the time is up, participants can vote on their favorite floor tiles
